

# Discussion questions

- what metric(s) should be used to assess the impact of the ICC?
- what are the most important functions of the ICC (historical; victims; punishment; international norms)?
- how can the U.S government be persuaded to ratify the ICC Statute?

# Questions for the professors

- your best defense for the continued existence of the ICC outside of the moral imperative issues I personally find so compelling.
- your thoughts on where you think international justice is headed
- how the ICC's relationship with the UNSC will change (or not) as our world becomes more multi-polar. Will this, in turn, increase or decrease the need for the ICC?
